E37Z-Naked

The design breaks old patterns to create a new way to experiment different extractions and find your style. Keep exploring like a hero!

E5SD

Dedicated to those seeking single origins, those keen to experiment with single brews, to all those with a distinctive approach to coffee.

Coffee flavour
is an adventure.

The zero contamination with previously ground coffees, allows to explore different origins and varieties, without wasting a single bean or emptying the grinding chamber and cleaning the burrs.
